Acceptance:

Under the terms of the CUSC, Offers are open for acceptance for a period of 3 months, which would require your response by **20 February 2020**.

To confirm your acceptance of the Offer, please arrange for both copies of each of the agreements to be signed (but not dated) and email the signature page and title page of each agreement to transmissionconnections@nationalgrideso.com. Then, within 2 business days, return the signed documents to us. We shall then arrange to have the documents signed for and on behalf of The Company and dated, at which time the agreements will become effective. An original copy of the agreements will then be returned to you for your records. We would like to advise that this Offer is currently not interactive with any other offers at this moment in time.

Cancellation Charges and Provision of Security:

Please be aware that cancellation charges apply should you accept this Offer and later terminate the agreement(s) or reduce your Transmission Entry Capacity. Should you accept this Offer you will be required to provide appropriate security forthwith as listed in the MM2 statement. Please be aware that should such security not be placed by the latter of 30 days after the date from which the Offer became capable of acceptance or the date of signature of the Offer, The Company will take steps to terminate the agreements in accordance with the relevant provisions of the ConsAg and/or BCA.

A PDF document providing guidance on the securities process (CMP192) and in particular the Cancellation Charge Statements (MM1-MM3) is available by clicking on the following link – refer to Page 19:
